

Video and Photography Policy

Mortimer West End Cricket Club

Mortimer West End Cricket Club is fully committed to safeguarding and promoting the wellbeing of all its members.

As part of this commitment we will not permit photographs, video images or other images including those from mobile phones of Young People to be taken or used without the consent of the Parent/Guardian and the Young Player. The Club will follow the guidance issued by the England and Wales Cricket Board (ECB) on the use of images of Young People which is available on <http://www.ecb.co.uk>.

The Club will take steps to ensure that these images are used solely for the purpose they are intended, which is the promotion and celebration of the Club's cricketing activities.

If you become aware that these images are being used inappropriately you should inform the Club Welfare Officer immediately. Contact details will be available on the club's Internet site.

If photographs e.g. team or action shots, are submitted to the Press or published on the Club website individuals will not be identified. In circumstances where there is a need to identify an individual player in the Press parental permission will be sought beforehand.

Please note: the club understands that there are circumstances under which a parent would not wish their child to be photographed. Whilst the club will do all that it can to ensure the safety of children during games, it is the responsibility of the parent concerned to ensure that if necessary their child is not videoed or photographed.

The club is unable to supervise individual children during cricket activities or competitions.
